

RIGBY. THE CROWN JEWEL OF AMERICAN FIREARMS

Founded in Great Britain nearly three hundred years ago, John Rigby & Co. has been providing discriminating sportsmen with the finest quality firearms in the world, bar none. Today, after five years on American soil, that tradition of excellence continues.

From the painstaking hand craftsmanship of our sidelocks, heavy bolt and double rifles to our impeccably detailed engravings, every Rigby firearm is designed to provide generations of unsurpassed beauty, reliability and accuracy.

Simply put, a genuine Rigby is much more than a firearm. *It's a timeless work of art.*
