

Los Valles Ranch...

...a Texas Hill Country Diamond.

Hunt the beautiful, rugged Texas Hill Country of Los Valles Ranch and achieve SCI's coveted Copper, Bronze, Silver, Gold or Diamond Awards for Introduced Trophy Animals of North America. More than 40 native, exotic and super exotic species available, including Pere David Deer, Bongo, Eland, Markhor, Ibex, Red Deer and many, many more.

When you return from the field, you'll enjoy the luxury of our traditional, Spanish mission-style lodge, featuring a magnificent swimming pool, private, elegantly-appointed rooms with full bath, air conditioning, satellite TV, five-star gourmet meals and a stunning trophy room and billiard lounge. Horseback riding, fishing and photographic safaris are also available for our hunting and non-hunting guests alike.

We're also booking now for 2000 and 2001 trophy Whitetail and Wild Turkey. After five years of careful management, our Texas Whitetail herd now offers truly world class trophy bucks.

Please call, write or e-mail us for a free information package on your Los Valles Ranch adventure, including our breathtaking "Hunt of a Lifetime" video. You can also visit us on the World Wide Web at: <http://www.losvallesranch.com>.
