\$300 REWARD

Rancho Caracol

• Ultimate Mexico Hunting Experience

Dear Friends:

Fall is coming up fast, and we've still got a number of prime openings for the 2002-2003 dove, quail and combo hunting seasons. With that in mind, we'd like to introduce a brand new "Bounty" Program – one that could very well earn you a free hunt!

From now until January 31, 2003, we are offering a \$300.00 REWARD for each and every new hunter that you successfully refer to us. That's right - every time you send a new face to Rancho Caracol, we'll give you a \$300.00 credit toward your next hunt with us – with absolutely no limit to the credit you can earn!

Why are we making this offer? Because we know that it's referrals like yours that have made Rancho Caracol Mexico's premier destination for spectacular dove, quail and duck hunts – and we want you know how much we appreciate those referrals!

For more information on our \$300.00 Bounty Program (or if you'd like us to send a free planning kit and video to a friend or colleague), call Dean today at (888) 246-3164

We look forward to seeing you again this season!
