ARROWHEAD LODGE

A BOWHUNTER'S PARADISE

ARROWHEAD LODGE

WELCOME

Dear Friend:

Welcome to Arrowhead Lodge!

As a lifelong bowhunter, I have spent many years crafting and honing the Arrowhead property into a whitetail deer hunter's paradise. Our beautiful, natural terrain, coupled with the meticulous management of our trophy whitetail herd, has made that dream come true. I know that you, too, will find that Arrowhead is a very special place where nature is nurtured, where hunting memories are made – and where lifelong traditions are born.

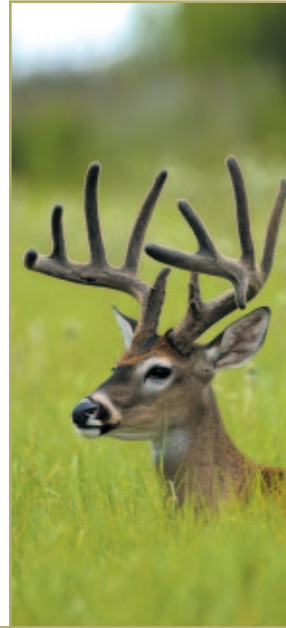

I look forward to meeting you in person, providing you with the outdoor adventure of a lifetime, and seeing you get the whitetail trophy of your dreams.

Sincerely,

Gary Bogner, President

TROPHIES

Here are a selection of

recent photos that show the scenic yet rugged Michigan habitat that our deer thrive in – and just a few of the world-class trophy bucks that await you here!

While hunting, you'll also have an opportunity to view a rich variety of native wildlife such as turkey, grouse, fox, squirrel, otter, beaver and bobcat.

HUNTING

Located 75 miles from Grand Rapids Airport, *Arrowhead Lodge* is easy to find and

convenient to reach - yet remote and unspoiled enough to give you a wilderness hunting experience as genuinely challenging as any in the United States.

From the moment you arrive, you become one of the Arrowhead family. We offer our guests warm, comfortable accommodations, delicious home-cooked meals, a complete target range to sharpen your skills before the hunt, and state-of-the-art equipment to make any last-minute adjustments to your bowhunting gear.

Your hunting day starts bright and early

with a hearty, homemade breakfast, then it's off to the field by foot or four-wheeler to hunt by tree-stand, blinds or stalking. You're assured of seeing a number of trophy-quality deer every day, and will have many opportunities to bag the whitetail trophy of your dreams. Our friendly staff will then field dress your trophy for meat processing and taxidermy. For our guests who enjoy fishing, Arrowhead Lodge also boasts its own private, spring-fed lake stocked with hungry largemouth bass, a variety of scrappy panfish and a healthy population of elusive brown trout.

When you return from the day's hunt, you'll relax in our Wildlife Room,

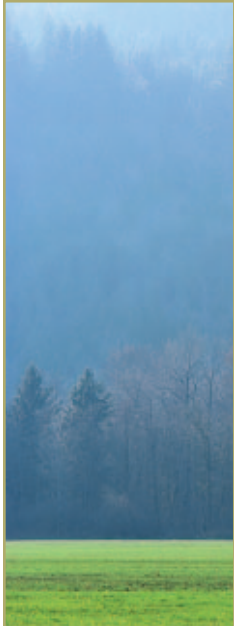

or in front of our lounge fireplace with cocktails and hors d'oeuvres. After dinner, enjoy a game of cards or billiards, or take in a movie via satellite TV before retiring to our private and comfortable Whitetail, Moose, Duck, Elk or Fish Bedrooms. No matter what your needs, we'll do everything we can to make your stay with us as enjoyable as possible.

Write or call us today to begin your Arrowhead whitetail adventure. We'll look forward to seeing you here this year, and to making Arrowhead Lodge a part of your hunting tradition.
